EXPLANATORY PREFACE

This Register contains the names of all the Schools of the Provincial System and of the teachers employed therein for the school term ending December, 1929. It also contains certain information regarding each school, including the name and address of each secretary, and also the name, address, salary and grade of certificate of each teacher.

For convenience this information has been divided into five parts, as follows:

Part I—The Public Schools of the City Inspectorates, pages 6 to 60.

Part II—The Public Schools of the County Inspectorates, pages 62 to 403.

Part III—The Public Schools of the District Inspectorates, pages 406 to 472.

Part IV—The Roman Catholic Separate Schools, pages 474 to 600.

Part V—The Secondary and the Professional Training Schools, pages 603 to 729.

The Inspectorates have been arranged alphabetically in Parts I and II, and numerically in Parts III and IV. An index of the names of the Inspectors has been provided on pages 737 and 738. A further list of inspectors according to inspectoral divisions will be found on page 739. A summary of the number of teachers holding the several grades of certificates has been placed at the head of each Public and Separate School Inspectorate and a general summary for the Province on page 601. The number of schools in each Inspectorate is also indicated in each heading, except in Part I, where it is indicated at the end. In each Inspectorate in Parts II, III, and IV, the Rural Schools are placed first, followed by the schools of the Urban Municipalities.

It should be noted that the statistics contained herein have been compiled, not from the Departmental Registers, but from Special Reports by the Inspectors or Principals concerned. Frequent changes in the schools render absolute accuracy in the list of teachers impossible.
